Subject: RE: Text Amendment #785, Removal of Section 4-5, Maximum Allowable Multi-Family Dwellings

Multi-family dwellings allow for greater numbers of people to move into Town, increasing our population. Please keep in mind that as the population increases, there may be greater demands placed on the Town's parks, beaches and recreational facilities.

Subject: Text Amendment #785, Removal of Section 4-5, Maximum Allowable Multi-Family Dwellings

Please see attached transmittal for Text Amendment #785, which proposes to remove Section 4-5, Maximum Allowable Multi-Family Dwellings, of the zoning regulations. The attached Explanatory Statement and Text Amendment describe the proposal in detail.

If possible, please submit comments by Wednesday, Sept. 30, 2020.

Thanks,
